

The book cover features a dark, atmospheric illustration of a winter street scene. In the foreground, a man in a dark coat and hat is seen from the side, looking towards the right. Behind him, another figure is partially visible. The background shows a street with buildings, a street lamp, and a tree under a pale, overcast sky. In the top left corner, there is a circular emblem with a stylized figure and the word 'ПРЕДУПРЕЖДЕНИЕ' (Warning) around it.
